

## Call for Papers

The 5th International Conference on Artificial Intelligence and Security (ICAIS 2019), formerly called the International Conference on Cloud Computing and Security (ICCCS), will be held in July, 2019 at **New York University**, New York, USA. Over the past four years, ICCCS has become a leading conference on artificial intelligence and security, garnering comprehensive coverage in June 2018 by CCTV 4 China. ICAIS is a highly selective and premier international forum on computer science and engineering research. In addition to the main sessions, the conference will include workshops, panels, demonstrations, and exhibits. The organizing committee is excited to invite you to take part in the ICAIS 2019, to discuss issues at the technological frontier of society today as well as interdisciplinary technological trends.

Topics of interest include, but are not limited to:

- |                                       |                               |                                       |
|---------------------------------------|-------------------------------|---------------------------------------|
| ◇ <b>Artificial Intelligence</b>      | ◇ <b>Information Hiding</b>   | ◇ <b>Encryption and Cybersecurity</b> |
| ◇ <b>Big Data</b>                     | ◇ <b>IoT Security</b>         |                                       |
| ◇ <b>Cloud Computing and Security</b> | ◇ <b>Multimedia Forensics</b> |                                       |

### Paper Submission

- All submissions must be in English. This year we are accepting Full paper and Short Paper submissions. **Full papers** must be at least 12 LNCS pages in length but no more than 15 LNCS pages, including figures and references. **Short papers** must be 4-7 LNCS pages in length, including figures and references. Authors should refer to the conference submission format to prepare their papers.
- The submitted papers must not be previously published anywhere, and must not be submitted to any other conferences before and during the ICAIS2019 review process. For any accepted paper, at least one author must register and attend the conference to present the paper.

### Acceptance

Submitted manuscripts will be reviewed by experts in the field and will be judged on problem significance, contributions, originality, correctness, technical strength, quality of presentation, relevance, and value to conference attendees.

### Important Date

Paper submission due: November 10, 2018  
Notification of acceptance: December 1, 2018  
Registration due: December 17, 2018  
Camera-ready paper due: December 31, 2018

### Contact Details

Tel: +86-(25)-58731244  
Email: [icccsconf@yeah.net](mailto:icccsconf@yeah.net)

ICAIS WeChat Official Accounts:

### Workshop

ICAIS 2019 has invited 44 workshops for researchers, engineers and scientists to present their latest research findings, novel ideas, and valuable comments in specific areas of interests. The details are available at: <http://www.icaisconf.com/workshops/>

### Publication

- ◇ Accepted papers will be published in LNCS and international journals
- ◇ Outstanding papers will be invited for possible publication in SCI-indexed journals:
  - Computers, Materials & Continua
  - IEEE Access
  - International Journal of Sensor Networks
  - Journal of Internet Technology
  - Journal of Network and Computer Applications
  - Multimedia Tools and Applications
  - Sensors
  - Soft Computing
  - .....
